Santa Margherita's agglomerates comply with USA Institute's stringent emission guidelines

GEI awards AMSM Greenguard Certification

2008#02#01 – Santa Margherita S.p.A. (based in Verona, Italy), a world leading company in the production of Marble and Quartz Engineered Stone, is proud to announce that they have been awarded the Greenguard Indoor Air Quality Certification and Greenguard Children & Schools Certification by the GEI - GreenGuard Environmental Institute.

The GEI, an industry-independent, non-profit organization established in 2001, oversees the Greenguard Certification Program, and establishes acceptable indoor air standards for indoor products, environments, and buildings. The Indoor Air Quality and the Children & School are the Greenguard's programs for low emitting interior building materials, furnishing and finish system, even used in educational (daycare and K-12).

Santa Margherita S.p.A. Manufacturers products including Agglosimplex, Marghestone and Trafficstone, that reach the most updated quality, environmental, and health standards.
